RECEIVED  
REGION I

Ladies and Gentlemen:

SUBJECT: EXTENSION REQUEST FOR SUBMISSION OF STANDARD  
OPERATING PROCEDURES

The Naval Radiation Safety Committee (NRSC) requests an extension on the submission date of the NRSC's Standard Operating Procedures (SOP) to 9 September 2005. The schedule for revising the NRSC's SOP was forwarded in our letter 5104, Ser 455CN5U9011330 of 16 May 2005. The original scheduled date for submission of the SOP to the NRC was 16 August 2005. However, the NRSC Chairman will be out of the country until 19 August 2005, delaying his review by two weeks.

Sincerely,

L. L. FRAGOSO  
Commander, MSC, U.S. Navy  
Executive Secretary  
Naval Radiation Safety Committee
