Dear Mr. Kinneman: *45-25239-01* *45-24974-01*  
*2004001* *2004002*

We are in receipt of your letter of June 30, 2005 forwarding the inspection reports for our Richmond and Chantilly offices.

We would very much appreciate the opportunity to avail ourselves of the opportunity to attend a Predecisional Enforcement Conference regarding this matter. We would like to use this opportunity to reinforce the intensity of the programmatic changes that were in effect at the time of the inspections, the aggressive corrective actions that were taken, and mitigating factors we would like you to consider when making your final decision.

The likely attendees will be myself as Corporate RSO, Mr. Leo Titus – Chantilly Office Manager, and Mr. Douglas Cole – Corporate Counsel. At this time, we are unsure of our Richmond office will be represented.

To assist in scheduling on your part, we would like to offer three possible dates when all of the individuals named about will be available: July 27<sup>th</sup>, July 28, and August 2<sup>nd</sup>.

If those dates are not available for you and your staff, we are willing to provide a date later in August. Either 11:00 a.m. or 1:00 p.m. would probably be best for us to allow for driving time.

Thank you for your time, and we look forward to meeting with you again.

Sincerely,

ECS Mid-Atlantic, LLC

Stanley J. Murphy, P.E.  
Corporate Radiation Safety Officer
