NMCS/RONI MATERIALS-002

# **DANVILLE DIAGNOSTIC IMAGING CENTER**

**License Number 45-25118-01**

## **Information Needed For Transfer of Control**

1. Provide a complete description of the transaction (transfer of stocks or assets, or merger). Indicate whether the name has changed and include the new name. Include the name and telephone number of a licensee contact who NRC may contact if more information is needed.

**The transaction is a transfer of the assets of Danville Diagnostic Imaging Center (the "Center") by Danville Diagnostic Imaging Center a Virginia non-stock company ("Transferor"), including but not limited to the licensed materials. The name of the Center did not change. This transaction was completed on July 1, 2005.**

**The new licensee contact and telephone number to facilitate communications with the new owner is Faye S. Edwards (615) 565-1538. The licensee contact and telephone number at the licensed location continues to be G. Michael Spencer, MD at (434) 793-1043.**

2. Describe any changes in personnel or duties that relate to the licensed program. Include training and experience for new personnel.

**Attachment A contains a list of the officers and directors of Danville Diagnostic Imaging Center, LLC ("Transferee"). There are no changes in the personnel identified in the current license.**

3. Describe any changes in the organization, location, facility, equipment or procedures that relate to the licensed program.

**There are no planned material changes in organization, location, facility, equipment or procedures other than the change in ownership described above.**

4. Describe the status of all surveillance programs (surveys, wipe tests, quality control) at the present time and the expected status at the time that control is to be transferred.

**All surveillance items are current and were current at the time that control was transferred.**

5. Confirm that all records concerning the safe and effective decommissioning of the facility will be transferred to the transferee or to the NRC, as appropriate. These records include documentation of surveys of ambient radiation levels and fixed and/or removable contamination, including methods and sensitivity.

**All records concerning the safe and effective decommissioning of the facility were transferred to the new licensee.**

6. Confirm that the transferee will abide by all constraints, conditions, requirement and commitments of the Transferor or that the Transferee will submit a complete description of the proposed licensed program.

**Transferee agrees to abide by all constraints, conditions, requirements and commitments previously made to the NRC by the Transferor and identified in the existing license.**

Dated this \_\_\_\_\_ day of July, 11, 2005.
