SUBJECT: P.E.T.NET PHARMACEUTICALS, INC., CONSENT TO TRANSFER LICENSE

Dear Mr. Moroney:

This refers to your letters dated May 13, 2005, May 23, 2005, and July 14, 2005 describing the proposed transfer of your licensed activities to Siemens Medical Solutions USA, Inc. and designating a new management representative. From your letters, we understand that this transfer will not result in any change to the licensed name, location of use, materials, persons using licensed material, or persons responsible for radiation safety at the licensed facility other than the new management representative.

Based on the above understandings, we have no objection to this transfer. Future changes in the licensed name, use, location, persons responsible for licensed material require submission of a request to amend the license. NRC approval must be received prior to implementation of the proposed change.

Thank you for your cooperation in this matter.

Sincerely,
