Tad,

VY Management would like a phone call with you tomorrow Friday July 15, 2005. They want to be in alignment with the Staff's positions on the GE Methods and the Dryer issues prior to the ACRS meeting in November. They are now performing a core re-design since they will not be Up-rated (20%) for next cycle.

Please let me know if you are availability for a ½ hr phone meeting with VY tomorrow.

The Entergy Personnel will include John McCann, and John Dreyfus. Mr. L. Quintanna will be participating from GE.
