Frank/Zena,

Vermont Yankee has requested a conference call early Wednesday afternoon to discuss the data they plan to provide in response to several of the GE methods questions. This relates to some of Zena's comments that GE has sometimes provided too much information rather than providing a more focused data set that pertains to the issue.

Please let me know what times you have available between 12:00 pm - 2:00 pm on Wednesday.

thanks,

Rick
