4) ISFSI SAR Update Amendment: In accordance with NRC's, May 23, 2005 Trojan Part 50 License Termination Letter, Trojan has completed processing internal paperwork to incorporate a commitment into the ISFSI SAR to maintain \$100M of nuclear liability insurance coverage for the ISFSI. This will be one of the changes contained in Trojan's planned ISFSI SAR update amendment. Expect to issue and distribute SAR amendment in July 2005.
