Re: CoC Review	CC: [Click here and type name]

Antonio,

Please see attached for recommendations regarding the Draft CoCs Rev. 18 for the TRUPACT-II and Rev. 3 for the HalfPACT. Thank you for the opportunity.

Regards,

Brad

Suggested/Requested changes to Draft CoC 9218 Revision 18 for TRUPACT-II

Page 4 of 5

- May want to revise 2nd complete sentence of 1st paragraph (under item 7.) to read as follows:
“Content code LA 154 ~~and SQ 154~~ payload containers may only be assembled with other payload containers belonging to content code LA 154 ~~and SQ 154, respectively,~~ or dunnage in accordance with Appendix 6.12 of the CH-TRU Payload Appendices.”
- May want to revise 2nd sentence of item 8. to read as follows:
“Payload containers of content code LA 154 ~~and SQ 154~~ shall be assembled in accordance with Appendix 6.12 of CH-TRAMPAC, Rev. 2.”
- May want to revise 2nd sentence of item 11.a) to read as follows:
“For content code LA 154 ~~and SQ 154~~ payloads, each package must be prepared for shipment and operated ...”

Suggested/Requested changes to Draft CoC 9279 Revision 3 for HalfPACT

Page 4 of 4

- Question: Is it possible to revise the expiration date listed in item 13. based on the current application or is there a need to separately request an extension such we avoid the need to revise the CoC again before October 31, 2005.
