SUBJECT: 2004 EXTERNAL STAKEHOLDER RESPONSE TO FEDERAL REGISTER NOTICE, "SOLICITATION OF PUBLIC COMMENTS ON THE FIFTH YEAR OF IMPLEMENTATION OF THE REACTOR OVERSIGHT PROCESS"

Dear Mr. Gurdziel:

Thank you for participating in the Nuclear Regulatory Commission's (NRC) 2004 Reactor Oversight Process (ROP) annual self-assessment. Your comments provided feedback that the NRC staff needs to identify enhancements to the ROP.

Enclosed is a copy of SECY-05-0070, "Reactor Oversight Process Self-Assessment for Calendar Year 2004," which was presented to the Commission on May 25, 2005. This paper (ADAMS Accession Number: ML050630297) contains an overview of the external survey results.

In addition, to more directly respond to stakeholder comments, the NRC consolidated the comments received by question and provided a comprehensive response to the comments. This consolidated response, along with the Commission paper and the annual ROP performance metric report, will be posted to the ROP Web page and is attached for your convenience.

The staff appreciates your participation in this effort. Questions and comments should be directed to Serita Sanders at (301) 415-2956 or by e-mail at SXS5@nrc.gov.

Sincerely,
