Mr. John T. Jensen, Director  
Radiation Safety Staff  
Department of Agriculture  
4700 River Road, Unit 91  
Riverdale, MD 20737

Dear Mr. Jensen:

This refers to your license amendment request to release the site in Durant, Oklahoma for unrestricted use. Although you are not required by your license to receive a license amendment from the NRC prior to release of a site, you have the option of having the NRC approve the release by requesting such an amendment. This amendment approves the release of the Durant, Oklahoma site, as you have requested. Enclosed with this letter is the amended license. Note that the only change in the text of the license is the letter referenced in item 3.

Please review the enclosed document carefully and be sure that you understand and fully implement all the conditions incorporated into the amended license. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region I Office, Licensing Assistance Team, (610) 337-5093 or 5239, so that we can provide appropriate corrections and answers.

Thank you for your cooperation.

Sincerely,

**Original Signed By:**
