Dear Mr. Thompson:

SUBJECT: HERITAGE MINERALS, INC.

This refers to your request in a letter dated February 28, 1991 to amend your license for onsite disposal of source material in the form of monazite sand by re-combining the material with other onsite processed sand tailings.

Based on your letter dated October 7, 1994, we understand that Heritage wishes to withdraw that request and pursue other options for disposal of the material. Therefore, we consider the request withdrawn and will not consider it further.

Your cooperation with us is appreciated.

Sincerely,
