Summary:	<p>I initially called Gene Johnson, COO. His secretary advised me to direct questions to Mike Nunno. This record reflects a series of voicemail messages on this date.</p> <p>Item 2 of the NRC deficiency letter asked about 35.500 sources. Item 2 of the licensee's response stated "35.300 sources were never purchased." I asked Mike if this was a typographical error, with 35.300 erroneously substituted for 35.500. Mike said this is correct, licensee intended to state "35.500 sources were never purchased."</p>
