Re: U.S. Department of Energy Corrected Filing

Dear Madam Secretary and PAPO Board:

On behalf of the U.S. Department of Energy (DOE), we intended to file yesterday the monthly status report. However, we inadvertently transmitted instead a copy of Friday's filing due to some technical difficulties our firm was having with its OCR server. Today we discovered the error and are now transmitting the document we intended to file yesterday -- the monthly status report.

Please contact me if you have any questions concerning this corrected filing. We apologize for any inconvenience caused by this error.

Sincerely,

A handwritten signature in cursive script, reading "Kelly L. Faglioni".

Kelly L. Faglioni
