Attention: Ron Rolph

Dear Mr. Rolph,

Per our phone conversations on 7-27-2005, Quality Inspection Services, Inc. would like to amend our current NRC license# 31-30187-01. During the renewal process QISI would like to name Douglas Miskell as the Corporate Radiation Safety Officer on the license. Attached are my current certifications, also I have been a Level II radiographer for 15 years. QISI will be using Assistant Radiation Safety Officers in the Warren, Pa office and the field station site in Rocky Hill, Ct. for the day to day operations.

If you have any concerns or questions regarding Quality Inspections request for a renewal of NRC License# 31-30187-01. Please feel free to contact me at (716) 686-3710 office or (716) 570-8768. I can also be reached by email dmiskell@qisi.com.

Thank you,

Douglas Miskell
