Subject: VY EPU RAI Status

Tad,

Entergy (Craig Nichols, John Dreyfuss, Charlene Faison, and Ronda Daflucas) called and gave me the following status on the VY EPU RAI submittal:

- They expect that the RAI response will be emailed to me very late today.
- The RAI response will be complete except for some of the steam dryer issues. Most significantly, they still need to do some work related to the uncertainties associated with the acoustic model.
- The cover letter will indicate what is missing.
- They expect to submit the remaining information by Thursday.

thanks,

Rick
