Eileen

I provided Claudia Craig the letter notifying the NRC of the proposed \$18.4 million withdrawal to cover the cost of SAFSTOR for Dresden Unit 1. Dresden Unit 1 is under NMSS control.

Since it appears Dresden Unit 1 initiated decommissioning prior to the 50.82 rule, a condition was placed on the licensee that required 30 day notification prior to withdrawal of decommissioning costs from the Decommissioning Trust. Since the \$ 18.4 million appears to be a valid decommissioning cost, no action is required but that is an NMSS decision.
