**SUBJECT: Answer and Response to Order for Additional Security Measures on the Transportation of Radioactive Material Quantities of Concern**

In accordance with 10 CFR 50.4, Omaha Public Power District (OPPDD) hereby submits information in response to the Order for Additional Security Measures on the Transportation of Radioactive Material Quantities of Concern (RAMQC) (hereinafter "Order") issued by the United States Nuclear Regulatory Commission (NRC) on July 18, 2005.

OPPDD consents to the Order and specifically does not request a hearing. OPPDD does not currently have any RAMQC shipments scheduled and does not anticipate any RAMQC shipments for the foreseeable future.

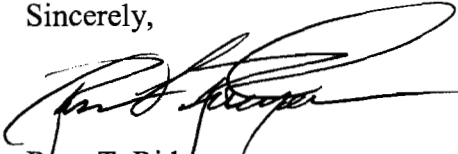

This letter contains the following regulatory commitments:

- OPPDD will notify the NRC ninety (90) days in advance of the first RAMQC shipment if conditions change requiring OPPDD to ship RAMQC. (AR 37598)
- OPPDD will implement the requirements of the Order prior to the first RAMQC shipment if conditions change requiring OPPDD to ship RAMQC. (AR37598)

I declare under penalty of perjury that the foregoing is true and correct. (Executed on August 8, 2005.)
