United States Nuclear Regulatory Commission
Washington, D.C. 20555

Reference: Order Imposing Additional Measures on the Transportation of Radioactive
Materials Quantities of Concern

Dear Sir:

On behalf of the Sterigenics International facilities listed below, I writing to confirm that these facilities will complete implementation of the requirements in Order EA 05-006, "Order Imposing Additional Measures on the Transportation of Radioactive Materials Quantities of Concern" by January 17, 2006. Compliance to the order may be done through a supplier or the irradiator source manufacturers, who have also received copies of the order and assume responsibility of the licensed radioactive material for transport under the order.

This notification is on behalf of the following facilities licensed under the names Sterigenics US, LLC, or SteriGenics East Corporation:
