RE: US Nuclear Regulatory Commission Radioactive Materials License # 29-28341-02MD

Dear Sir/Madame,

Please allow this letter to serve as a notice that Amersham Health, dba GE Healthcare wishes to make the following changes to the above referenced license:

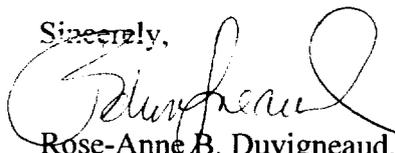

- 1. Delete the following individual from 11B Authorized Nuclear Pharmacists:

Michael J. Donovan, R.Ph.

This individual is no longer the employ of GE Healthcare.

Should you have any additional questions, please feel free to contact me at 973-533-9109.

Sincerely,

 Rose-Anne B. Duvigneaud, R.Ph
 Radiation Safety Officer
