SUBJECT: ADVANCED CARE MEDICAL, INC., REQUEST FOR ADDITIONAL
INFORMATION CONCERNING APPLICATION FOR AMENDMENT TO
LICENSE, CONTROL NO. 137046

Dear Mr. Lamoureux:

This is in reference to your letter dated July 8, 2005 requesting to amend Nuclear Regulatory Commission License No. 06-30764-02MD. In order to continue our review, we need the following additional information:

1. You are requesting the referenced distribution license be amended to state under item 1, "Advanced Care Medical, d/b/a BrachySciences and World Wide Medical Technologies". You have stated, in your letter dated July 8, 2005, that these are all separate legal entities. Please explain your rationale for requesting BrachySciences and World Wide Medical Technologies be listed as "dba" on the Advanced Care Medical distribution license. Also, please explain as separate legal entities why they should not have to apply for separate licenses to both possess and distribute licensed material.

Current NRC regulations and guidance are available at the NRC web site at <http://www.nrc.gov/materials/miau/mat-toolkits.html> and <http://www.nrc.gov/who-we-are/governing-laws.html> or by contacting the Government Printing Office (GPO) toll-free at 1-888-293-6498. The GPO is open from 7:00 a.m. to 9:00 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 137046. If you have any technical questions regarding this deficiency letter, please call John Nicholson at (610) 337-5236.

G. Lamoureux
