Dear Mr. Mitchell:

This is in response to your letter received June 29, 2005, requesting a waiver of the annual fee for Invoice AM1279-05, License 02-23269-01, in the amount of \$2,500. I am granting your waiver request and cancelling Invoice AM1279-05. My decision was based on the fact that you were unaware that there was a formal documentation license termination procedure required by the NRC and you are no longer in possession of the Troxler Moisture Density Gauges and provided documentation indicating that the gauges were transferred to Western Technologies, Inc., on September 25, 2001.

In response to your termination request, NRC's Region IV office formally terminated license number 02-23269-01, on July 19, 2005. A copy of the termination document (Form NRC 374A), is enclosed for your records. If you have any questions regarding this matter, please contact Brenda Brown at 301-415-6055.

Sincerely,

/RA/

Jesse L. Funches
Chief Financial Officer
