SUBJECT: DANVILLE DIAGNOSTIC IMAGING CENTER, CONSENT TO TRANSFER
LICENSE, CONTROL NO. 137188

Dear Ms. Parrish:

This refers to the letter dated June 6, 2005, from Faye S. Edwards, Director of Regulatory Affairs for Lifepoint Hospitals, describing the proposed transfer of your licensed activities to Danville Diagnostic Imaging Center, LLC. Based on information provided in a facsimile dated July 21, 2005, we understand that this transfer will not result in any change to the licensed name, location of use, materials, persons using licensed material, or persons responsible for radiation safety at the licensed facility.

Based on the above understandings, we have no objection to this transfer. Future changes in the licensed name, use, location, or persons responsible for licensed material require submission of a request to amend the license. NRC approval must be received prior to implementation of the proposed change.

Thank you for your cooperation in this matter.

Sincerely,

Original signed by Sandra Gabriel
