SUBJECT: NOMINATION OF DELEGATES TO THE WORKING GROUP ON OPERATING
EXPERIENCE/COMMITTEE ON NUCLEAR REGULATORY ACTIVITY
(REFERENCE: JAVIER REIG TO CNRA MEMBERS DATED JULY 19, 2005)

In the referenced correspondence, you requested the Committee on Nuclear Regulatory Activity members to nominate a delegate to the newly re-constituted working group on operating experience (WGOE) by August 31, 2005. For the United States Nuclear Regulatory Commission's (NRC) Office of Nuclear Reactor Regulation (NRR), Mr. Patrick L. Hiland is our nominee to the WGOE. Mr. Hiland has also been designated as the NRC's National Co-ordinator for the Incident Reporting System (IRS).

Mr. Hiland is one of our senior managers, and he is responsible for the Reactor Operations Branch within the Office of NRR. Mr. Hiland's nuclear background spans over 30 years and includes reactor plant operations and construction. In addition, Mr. Hiland has extensive regulator experience over the entire nuclear fuel cycle. Mr. Hiland was introduced to members of the WGOE at the April 2005 WGOE meeting in Paris, and he plans to attend the WGOE and IRS meetings October 10 through 14, 2005, in Paris.

Sincerely,

/RA/

R. William Borchardt, Deputy Director
Office of Nuclear Reactor Regulation
