**Subject:** Re: Request for Extension on Submittal of Semi-annual Ground Water Monitoring Report

As we discussed this morning, our vendor laboratory has had some schedule problems that have resulted in a delay in finalizing their data for Th-230. As a consequence we will not be able to finalize our draft semi-annual ground water monitoring report by August 12, 2005. We request that the submittal date be extended to August 19, 2005. Thank you.
