Mr. Stribley,

On September 21, 2004 I called the US Fish and Wildlife Service and left a message with a Mr. Jeromy Applegate.

On September 23, 2004 Mr. Jeromy Applegate returned my call stating that no changes have been made to the endangered and threatened species list since the June 21, 2004 letter to Mr. Peter Miner of Ohio DNR.

If you have further questions please contact Matthew Blevins.

Thanks
Alicia Mullins

Alicia -

Ron Linton suggested that I get in touch with you a while back regarding consultation letters to the US Fish and Wildlife Service and potentially the Ohio Department of Natural Resources. The consultation would be in reference to the proposed American Centrifuge Plant at the DoE Portsmouth Reservation.

Can you please let me know what letter that NRC has sent out and if FWS or the Ohio state agencies have replied.

thanks
