Ms. Morgan:

Per your application dated February 24, 2005, the item on the next page is a deficiency which requires your response. Please respond to this fax no later than close of business Friday, August 19, 2005. Our fax number is (817) 860-8263. If you have any questions regarding this fax, please call me at 817-860-8299. When responding to this fax, please include the license, docket and control numbers located at the top of this page.

Thank you for your cooperation and assistance in expediting this matter.

Sincerely,

Judith Walker
Health Physicist

Department of the Army

Please commit to the following item:

1. Before obtaining licensed materials, the proposed RSO will have successfully completed one of the training courses described in Criteria in the section entitled "Individual(s) Responsible for Radiation Safety Program and Their Training and Experience – Radiation Safety Officer" in NUREG-1556, Vol. 1, Rev. 1, dated September 2001.

Additionally, to assist our inspection staff in completing their inspections, please provide the physical address of where records will be kept.
