**Subject:** Request to amend NRC license for Inova Fairfax Hospital, mail control 137190

Reference: Inova Fairfax Hospital  
license 45-17128-01  
docket 03012235  
mail control 137190

To: Gary Talkington, RSO

This is to follow up to our telephone conversation earlier today. Please respond by August 22 to NRC's questions provided in an e-mail in early July. If Dr. Kanani has not completed HDR vendor training by that time, your management may state a commitment that Dr. Kanani will not independently perform the duties of authorized user until HDR vendor training is completed. This will allow us to issue the amendment.

Thank you for your help. If you have any questions, you may e-mail me or call at 610-337-5182.
