**Subject:** Your Comments on the Proposed Director's Decision

Ms. Lampert:

I enjoyed chatting with you on 8/17. In that phone call I verbally acknowledged receipt of your 7/29/05 letter, which comments on the proposed Director's Decision that we issued on 6/29/05.

We have completed docketing of your e-mail and your 7/29/05 letter into the NRC's Official Agency Records system ADAMS. Within a few days you can access those documents via the NRC website at http://www.nrc.gov . I apologize for the NRC that our acknowledgement of receipt of your correspondence took so long to come. We realize that our letter transmitting the proposed Director's Decision did not prescribe a process such that correspondence from commenters would not fall thru the proverbial crack. We will look into how we can improve the process.

We are now reviewing your comments. Please ensure that you include me on distribution for all future correspondence.
