Dear Rachel

This letter is to inform you that I am passing the duties of Radiation Safety Officer (RSO) to Michael Moore license # 54-27692-01 second amendment as the RSO. Mr. Moore has done his full course and I would like to be removed from the license as their RSO for the US licence. I would have to agree that Mr. Moore would be an excellent replacement as he is a very knowledgeable and conscientious person and has all the required qualification for such duties. Thank you for your consideration in this matter.

Sincerely;

Frank Coelho
