Subject: Presentations from December 3 BRWM Meeting Are Now Available Electronically

Dear Colleagues and Friends:

Electronic copies of presentations made to the Board on Radioactive Waste Management at its December 3, 2003 meeting are now available on the BRWM web site at <http://nationalacademies.org/brwm>. You will find the link to the open-session agenda and presentations at the bottom of the page.

If you are interested in being added to the electronic mailing list for the National Academies spent fuel storage study (discussed during the afternoon session at the December 3 board meeting), please respond to this note with the text "Subscribe spent fuel study" in the subject line.

Thank you.

Kevin Crowley
