A) B

Dear Interested Parties,

This is to inform you that we have set a tentative date of February 12, 2004 for the upcoming Committee on Safety and Security of Commercial Spent Nuclear Fuel Storage. There will be an open, unclassified session in late morning for about 3 hours. The meeting will be held at the Keck Center of the National Academies, 500 5th Street, NW, Room 204, Washington, DC 20001.

An agenda and additional information will be available in the near future.

Please feel free to check our website for updates as well (check highlights and events), [www.national-academies.org/brwm](http://www.national-academies.org/brwm).
