RE: Docket No. 50-113, Facility License R-52
Response to July 19, 2005 Enclosed Order (EA-05-007)

This letter serves as our written response to EA-05-007, Issuance of Order for Additional Security Measures On the Transportation of Radioactive Material Quantities of Concern(RAMQC)”

The Additional Security Measures(ASMs) in this order are not applicable to our current activities. If conditions change and RAMQC is to be shipped from our facility, the USNRC will be informed ninety(90) days in advance of the first RAMQC shipment.

If you have any questions regarding this matter, please contact me at (520) 621-9729. I declare under penalty perjury that the foregoing is true and correct. Executed on August 15, 2005.
