

OCT 02 1989

R

The Honorable Jeremiah W. (Jay) Nixon  
Missouri Senate  
22nd District  
Room 429  
State Capitol  
Jefferson City, MO 65101

Dear Mr. Nixon:

On August 24, 1989, I moderated a meeting to provide information to the general public on licensing actions regarding expansion of operations at Combustion Engineering's facility in Hematite, Missouri. In response to your request dated September 8, 1989, attached for your information is a transcription of the meeting which I have marked for clarification, a copy of your August 17, 1989 letter to the Executive Director for Operations, and a petition signed by local residents in support of Combustion Engineering's efforts to expand operations at the Hematite facility.

Please let me know if you have any questions regarding the meeting or the attachments.

ORIGINAL SIGNED BY C. E. NORELIUS

Charles E. Norelius, Director  
Division of Radiation Safety  
and Safeguards

FILE #45

Mr. Chuck Norelius  
 Nuclear Regulatory Commission  
 799 Roosevelt Road  
 Glen Ellyn, IL 60137

Dear Chuck:

I appreciate you and fellow members of the NRC staff for coming to Jefferson County and answering questions and making presentations. Also, I appreciate your willingness to move quickly in that matter.

I would like to request a copy of the transcript of the public meeting over which you presided so that I may have same for my records and to refer to in the future if necessary.

Sincerely,

Jay Nixon
