MEMORANDUM FOR: Judge Charles Bechhoefer, Atomic Safety and Licensing  
Board Panel

FROM: Charles E. Norelius, Director, Division of Radiation Safety  
and Safeguards, Region III

SUBJECT: TRANSCRIPTION OF A PUBLIC MEETING REGARDING  
COMBUSTION ENGINEERING

On August 24, 1989, I moderated a meeting to provide information to the general public on licensing actions regarding expansion of operations at Combustion Engineering's facility in Hematite, Missouri. Attached for your information is a transcription of the meeting which I have marked for clarification, a copy of an August 17, 1989 letter from State Senator J. Nixon to the Executive Director for Operations, and a petition signed by local residents in support of Combustion Engineering's efforts to expand operations at the Hematite facility.

Please let me know if you have any questions regarding the meeting or the attachments.
