Dear Mr. Eskridge:

SUBJECT: TREATMENT OF HYDROFLUORIC ACID (HF) DERMAL BURNS

I have enclosed a copy of the study concerning the modification of the treatment of dermal burns caused by HF. Please be apprised that the treatment described in the study is not an endorsement by the NRC, and is only provided as information for your review and retention.

Thank you for your patience.

Sincerely,

Original Signed By
George M. France, III
Fuel Facilities Inspector
