Message

This replaces an earlier fax of mine, dated June 14, 2005 of my letter DLN:05:043. The date of departure, under the schedule section of the attachment, was originally given as "July 8, 2005", and has been revised and should read, "July 9, 2005". In addition, under the physical description section of my letter, we stated "contained in seventy two (52) sealed shipping containers" and should have said, "contained in fifty two (52) sealed shipping containers". All other information is unchanged. A copy of the corrected notification letter is attached.

A copy of this letter will be mailed to you today.

Should you have any questions, please feel free to give me a call.
