SUBJECT: INSPECTION 03039608/2005001, THE ROBERT B. BALTER COMPANY

Dear Mr. Tillman:

This letter refers to your July 19, 2005 correspondence, in response to our June 7, 2005 letter. Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

We noted that you signed your letter as the Radiation Safety Officer (RSO). The NRC currently lists another individual as named RSO on your license in Amendment No. 8, issued July 8, 2004. In accordance with our discussion on August 2, 2005, you are the new RSO and you plan to submit an amendment request to change Condition No. 11 of your license to reflect your appointment as soon as possible.

Your cooperation with us is appreciated.

Sincerely,
