Secretary  
Office of the Secretary of the Commission  
U.S. Nuclear Regulatory Commission  
ATTN: Rulemakings and Adjudications Staff  
Washington DC 20555

**Subject: Docket No. 50-027, Facility License R-76  
Submittal of Washington State University Nuclear Radiation Center  
Answer to July 19, 2005 Order "Additional Security Measures on the  
Transportation of Radioactive Material Quantities of Concern" (EA-  
05-007)  
Issued by the Office NRR**

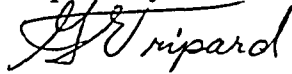

This letter is intended to comply with the requirement to submit an answer within twenty days of the issuance of the order "Additional Security Measures on the Transportation of Radioactive Material Quantities of Concern" (EA-05-007) which is dated July 19<sup>th</sup>, 2005, and issued by Mr. J.E. Dyer, Director, Office of NRR. The Washington State University Nuclear Radiation Center consents to this order and will protect the subject material in accordance with its established policy. The Washington State University Nuclear Radiation Center *currently does not ship any materials that qualify under the limits set forth in Section A-1 (General Basis Criteria, page 1) of the Order.* The Washington State University Nuclear Radiation Center will comply with this Order in the event that our facility ships material set forth under these criteria.
