Dear Administrative Judges:

Pursuant to a commitment made in a prehearing telephone conference held on October 17, 2004, to inform the Board of any changes in the NRC staff's schedule for issuance of its draft and final safety evaluation report (SER) and environmental impact statement (EIS), the Staff is now informing the Board of changes in its schedule for the issuance of the final SER and EIS. The final SER will be issued on February 17, 2006, and the final EIS will be issued on July 28, 2006.

The Staff informed Exelon of the schedule changes in a letter dated August 16, 2005, a copy of which is enclosed. The Staff will inform the Board of any further changes to the schedule.

Sincerely,

/RA/
