Re: NRC License No. 29-18266-01
Control No. 136763

03014753

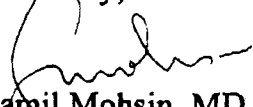

Dear Dr. Gabriel:

The following information is offered in response to your request for additional information for the above referenced control number 136763.

1. Drs. Sergi and Dannenbaum have each treated 3 cases of I 131 in quantities ≤ 33 mCi under my supervision, have satisfactorily completed the requirements in 10 CFR 35.392 (c)(2) and have achieved a level of competency sufficient to function independently as authorized users for medical uses authorized under 35.300 for the purpose of oral administration of I 131 in quantities ≤ 33 mCi.

Please contact Jonathan Law (609)652-3409 if there are any questions concerning this response.

Sincerely,

Jarail Mohsin, MD
South Jersey Radiology Associates
