Q-5

yes, that is reasonable. Please also remember that you have to amend your licenses to have the new RSO approved and named on the licenses.

thanks,  
Betsy

We received your letter today on the subject issue. Please be aware that we have hired a new RSO, (Mahmoud Haleem from the University of Maryland) who has agreed to start on September 12, 2005.

I would appreciate it if we could delay a response to your letter until the new RSO has come aboard and has had time to investigate the issue.

Thanks for your patience in this matter.

Sincerely,
