Subject: 3rd Set of Draft VY EPU RAIs - Contains Proprietary Information

Len,

Attached is the third set of followup draft RAIs based on your recent responses to our 7/27/05 RAIs. The changes since the second set I sent you on 8/22 is the addition of SPLB RAIs 30 and 31, and addition of SRXB RAIs 64 through 71.

Note, please have GE review the new SRXB RAIs for proprietary information and markup accordingly.

Please let me know when we can discuss. When we discuss I also would like a response time so the NRC can issue these formally.

thanks,

Rick
