Dr. Nils J. Diaz, Ph.D.
Chairman
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Dr. Diaz,

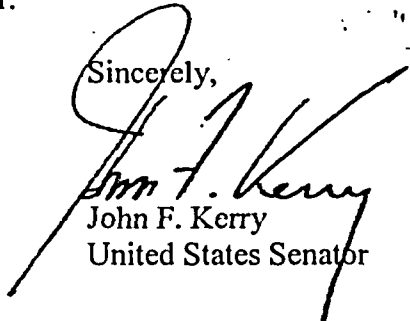

I am forwarding to you a copy of a correspondence from Ms. Susan Klein – Bennett expressing her concerns about Entergy Nuclear's request to increase output at Vermont Yankee Nuclear Power Plant by 20%.

It is the desire of this office to be responsive to all inquiries and communications. I respectfully ask for your assistance in resolving the issues outlined in the attached correspondence.

In addition to sending a reply to Ms. Klein –Bennett, please convey a copy of your response to the issues raised in Ms. Klein-Bennett's correspondence to Tyke Crowley of my Boston office.

I thank you for your cooperation in this matter.

Sincerely,

John F. Kerry
United States Senator

Dear John Kerry,

Please put pressure on the NRC to conduct a thorough study of the request to allow Entergy Nuclear to increase its output by 20%

As it is the plant just had an incidence this past week which federal regulators called a "catastrophic failure" in its electrical switch yard. Your constituents in Western MA are already in danger from this plant. Please do what you can to stop this increase of output.

Your Constituent,
Susan Klein-Berz
