Mr. Donald A. Massbauer, Chief  
Source and Special Nuclear Materials Section  
Division of Licensing and Regulation  
U. S. Atomic Energy Commission  
Washington 25, D. C.

Dear Mr. Massbauer:

Inasmuch as our allocations expire March 31, 1964,  
we wish to request new allocations for our Kematite, Missouri,  
facility as follows:

<u>Enrichment</u>	<u>Amount</u>
20%	25 kgs. U
90%	50 kgs. U
93.15%	64 kgs. U

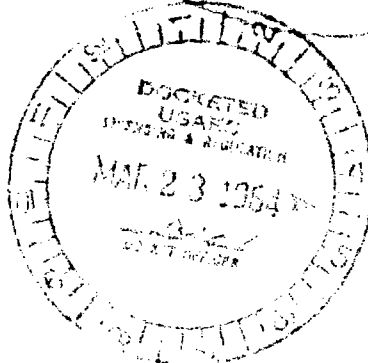

This will be used for miscellaneous orders, and will  
be made into Uranium Metal, Uranium Dioxide and other Uranium  
compounds for delivery to properly licensed organizations. The  
Uranium Hexafluoride will be withdrawn from the AEC only as  
required to fill our orders and maintain a supply at our Kematite  
plant.

Please do not hesitate to get in touch with us should  
there be any questions.

Very truly yours,

Operations Control Manager

J. Hallow/jj
