Subject: HI-STORM 100 System FSAR, Revision 3

Dear Sir:

An SFPO letter (Reference 3) transmitted Certificate of Compliance (CoC) No. 1014, Amendment 2 for the HI-STORM 100 System. This SFPO letter requested that an updated Final Safety Analysis Report (FSAR) that conforms to the amended CoC be submitted within 60 days. We herein provide the updated copy of the HI-STORM 100 System FSAR. Due to the size of the FSAR, we are submitting an electronic copy on CD-ROM in lieu of a paper copy.

Please contact us if you have any questions related to this revised FSAR.

Sincerely,

Evan Rosenbaum, P.E.
Project Manager, LAR 1014-2
