It should be further noted that NRC will shortly be issuing an Order to all power reactor licensees, which will require significant training enhancements compared to current regulations. You were interviewed as part of the process of developing this Order.

Dave - if the Order gets issued before the letter, then change the language to conform.

Spoke w/ S. Morris of the EDO's office
@ 9:35 a.m. on 4/15/03. He had no
further comments and indicated it
was OK to send out letter.
