thanks. I contacted Scott Morris yesterday as he was the only other EDO person I knew to call (McGinty and Kugler were out).

Dave,

I got your voice message re. the Salem security guard issues. Scott Barber talked with me about it last week, and apparently there was some follow-up items that the region was still pursuing, so I did not go to Commissioner McGaffigan's office to inform them of the status.

Tim McGinty does region 1 stuff now. He was out last week so I fielded the call from Scott. Please work with Tim. He can be reached at 301-415-2276.
