Dick, Vonna,

Just read the letter. The general info looks OK. However, the statement re: Salem doesn't seem to form any conclusion as to whether we believe they are complying with the order, only that they have written a procedure. I have provided my comments to Greg Smith and he will be discussing with John White. *NSIR*

Here is the latest version of the response to Markey. Please respond ASAP with any comments to Vonna or call her pager (~~XXXXXXXXXX~~) *WJW*

Rhonda/Doris,
Please put John White on concurrence.

Vonna
