Subject: Discussion with SHPO Sea consulting status

Matt:

1. I spoke with David Snyder OH SHPO today. I asked him about consulting party status for Mr. Sea. He indicated that he is definitely a person with demonstrated interest in preservation, has active involvement in the site, and has historic information of the area beyond what SHPO office has. He recommend that he be given consulting party status in the spirit of the NHPA.

2. Also let him know that the DEIS is scheduled for publishing in Sept.

Person w/ demonstrated interest in preservation, active involvement, demonstrated interest, info beyond what SHPO office has - in that sense - ok - they would recommend that Mr. Sea be granted Consultatory Party Status in the spirit of NHPA.

② Told him that DEIS scheduled to be published in mid Sept and he should be getting info from us @ that time.
