My supervisor needs Medical to review this. I have seen the Medical department twice on this item and you have a recent letter from my physician that states key information you need. Let me know what I need to do.

Thank you

In accordance with procedural requirements I am writing to notify you, my supervisor, that I am still taking the following medication:

[REDACTED] is taken at home. When I am on this medication I can not drive, nor can I take this medication when I am at work out of FFD concerns.

Thank you
